Please have access to an outlet within 5 feet of the DJ table.

## Venue / event host to provide, unless otherwise discussed prior to the show

- Sound system with subwoofers (I play bass music in my sets and need a system that can accommodate the range)
- All cords and cables to hook up my DDJ controller to your sound system
- 5'x1.5' or larger waist-height table
- Access to outlets and electricity
- WiFi or Starlink access
- Please see the Hospitality Rider for additional requirements
